C .:

brother and American." when Mr. Blaine commenced his address as follows:

Mr. Chairman: I speak to-night to men of Iri-h birth, but not in relation to their connection with the British empire. I speak to them relation to their citizenship to the great American Republic [applause] and of the duties and I gather that the strongest lesson for an Irishman in America is to be found in his exnce in his native land—the fairest land and almost the richest portion of all Europe, desined to poverty and to suffering and to the exile of millions of her children because of misvernment-destined primarily to untold privation because her power is not applied for her own use and the advantage of the poor people eskau, Moravia. The breasts of one of for protection for which all Irishmen should struggle in America. So great is the agricultural wealth in Ireland that only forty years ago she shipped a greater amo oduce across the channel to England than the United States exported to all countriesgreater than the empire of Russia sent to the other countries of Europe, and with all this, where is Ireland to day? She shares the fate of all countries purely agricultural; she shares the fate that would in a larger degree overtake the United States if the free trader should have his way and reduce us to an agricultural people. [Applause] And yet to-night the fear s that a majority of the Irish voters of Amernent of England would desire them to cast it.

nat 'no" a large majority of the Irish vote of For the last four months the Democrats have ingland is that Mr. Cieveland's administration hould be sustained by the whole force and efthey had begun to make an expression and an dritish Minister to Washington, himself pans] urging the re-election of Mr. Cleveind. And you can never interpret a letter un-I you know the letter that called it forth.
